

It Is Good

Tim Lings, Tory Gordon, Joel Todd, Charis Todd

C **F**
It is good to give thanks to the Lord
G F C
And sing praises to his name
C **F**
To declare his lovingkindness in the morning
G F C
And his faithfulness by night

Dm C/E
With our hearts bowed down
F G
And our voices raised
Dm C/E F
We will lift our song of praise

G C **F**
For you o Lord have made us glad
G **F**
By all, all you have done
G C **F**
And we will sing for joy
G
Joy at the works
F
The works of your hands
C F G F C
The works of your hands

So we sing to this coming generation
You were made to praise the Lord
Raise a shout, let it ring through the nation
Revelation light must shine

Till the trumpet sounds
And the Lord returns
To bring in his kingdom reign
